You and the local community.

Experience the history, culture, cuisine and lifestyle of the local area.  
It is our hope that you will establish a connection with the area you visit  
and will want to come again.

Visiting popular tourist sites and standard packaged tours are of course nice,  
but if you are looking for an unconventional getaway to create special memories,  
we invite you to experience &LOCAL.

&LOCAL offers a new style of sightseeing, enabling guests to discover  
and experience hidden gems of the local area while traveling around in an  
eco-friendly green slow mobility vehicle.

We invite you to enjoy a special experience that is unique to the local area.
